Braune's Cabins on Lost Land Lake

Dear Guest,

Welcome to **Braune's Cabins**! We are looking forward to your visit and hope it will be relaxing. Lost Land Lake is one of only three "Quiet Lakes" in the state of Wisconsin. This means that water skiing, tubing and jet skiing are not allowed.

As a reminder here are some additional items you should know before your visit. All cabins have a full-size bed in each bedroom. All linens for beds are provided. Kitchen towels are provided, but bath and hand towels are not. Kitchens are fully equipped with microwave, coffee maker, toaster, stove and a full-size refrigerator/freezer. Blenders, mixers, and crock pots are available for check out at the main house, free of charge. Each cabin has a charcoal grill, but charcoal and lighter fluid is not provided.

Fishing boat and motors are available for rental, as is a pontoon boat. Canoe and kayak use are complimentary on a first come first serve basis. There is free internet in each cabin and a flat screen television in the rec room in the basement of the main house. Board games, puzzles, badminton, volley ball, bocce and croquet also are available for check out.

Check-in is any time after 3pm on Saturday with check-out by 10 AM on the following Saturday. These times may be adjusted when possible. As a reminder, we only accept cash or check and payment is due at check in. Since these are housekeeping cabins, we would appreciate your help in keeping them clean. We look forward to your visit.

Sincerely,

Brad & Barb Thornbury,
third generation owners
